Madura,
8th November 1866.

(Signed, V. H. LEVINGE,
Collector.

From the Acting Collector of Madura, to the Secretary to the Board of Revenue, dated Madura, 8th February 1867, No. 35.

Mr. Pelly's Circular, dated the 6th August 1866, No. 1,964.
To Board, 15th September 1866, No. 307.
From do. 20th October ,, ,, 7,567.
To do. 8th November ,, ,, 375.

1. Adverting to the correspondence noted in the margin, I have the honor to report that Mr. Levinge having, in reference to paragraph 2 of Mr. Pelly's Circular, dated the 6th August 1866, No. 1,964, informed the Board, under date the 15th September, No. 307, that the Salt Divisions of Managudi and Soleagudi could not be abolished, he had not introduced the revised scale of Establishment pending the orders of the Board of Revenue, as by so doing the sanctioned amount of the Establishment will be exceeded. But the Board having, in their Order of the 20th October, No. 7,567, directed Mr. Levinge

to introduce at once the new scheme of Establishment, and submit a list of the temporary Establishment required to be employed in the above two divisions, their order was complied* with, while the Establishment, as hitherto employed, was retained in these two divisions, ordered to be abandoned.

* *Vide* letter to Board, dated 8th November 1866, No. 375.

2. No orders of the Board were received on the above communications, until the 5th December last, when the Salt Deputy Collector was requested to reduce the Establishment to the strength proposed by Mr. Levinge in his letter No. 375, dated the 8th November last. Now the Deputy Accountant General, in his Statement shewing the result of the examination of the accounts of the Collector of Madura for December 1866, dated 24th January 1867, has disallowed an item of Rupees 241-10-8, being the salary of the Salt Establishment of the two divisions in question for November last.

3. Under the above circumstances, I beg the Board will authorize the Accountant General to pass the salary of the above Establishments for November, as well as for the following months, at the rate shewn below:—

	November. Rs. A. P.	Following months at. Rs.
Managudi	119 0 0	98
Soleagudi	122 10 8	98

Resolved that the foregoing letters be submitted to Government, and that their sanction be requested for the temporary Establishments entertained in the Salt Divisions of Managudi and Soleagudi for disposing of the salt in store, at a monthly cost of Rupees 196, for a period of seven months, from December 1866. The new scale of Salt Establishment was introduced on 2nd November 1866, but the old Establishment in the two divisions above referred to, which were ordered to be abolished, was continued during the whole month of November 1866, at a cost of Rupees 241-10 8, for which also the sanction of Government is requested.

No 387. ORDER THEREON, 27th February 1867, No. 478.
