410 · 411

Dated 28 - 2 - 1867.

Not to be folded or roughly handled

Proceedings of the Madras Government, Revenue Department,
28th February 1867.

No. 410. Read the following Proceedings of the Board of Revenue, dated 8th February 1867, No. 784.

Read the following papers :—

From the Acting Sub-Collector of the Godavery District, dated 22nd August 1863
From the Acting Collector of Madras, dated 6th September 1866, No. 268.
From the Collector of Salem, dated 22nd September 1866, No. 177.
From the Collector of Madras, dated 8th January 1867, No. 7.

1. The foregoing papers relate to the purchase of seed paddy, for transmission to Ganjam, with reference to the Proceedings of Government, dated 7th August 1866, No. 1,978.

2. In the Board's letter to Government, dated 18th August 1866, No. 687, it was reported that 1,659 bags of seed paddy were despatched to Ganjam. Since then, 56 bags of seed paddy were received from the Tripattur Talook, in the Salem District, of which only 44 bags were sent to the Ganjam District, and the remaining 12 bags were left behind, as they did not reach the beach in time to admit of their being despatched by the same vessel in which the 44 bags were sent. They were afterwards forwarded to the Collector of Madras for disposal by public auction, and the amount of the sale proceeds was carried to the credit of Government. The Collector of Madras reports that the 12 bags were sold for Rupees 70-13-0.

3. The Board beg to submit, as promised in paragraph 3 of their letter already quoted, a Memorandum of the cost of the purchase of seed and other incidental expenses, for the information of Government. It amounts to Rupees 10,291-0-2, excluding the sum of Rupees 70-13-0 realized by the sale of 12 bags above referred to. The Collector of Ganjam is requested to report when and in what manner he proposes to recover the amount from the ryots to whom the paddy was supplied. The amount above referred to will remain under the head of "Advances recoverable," and the recoveries, when affected, will be credited to the same head. The Accountant General is requested to see that this is properly attended to.
