Proceedings of the Madras Government, Revenue Department,
1st March 1867.

No. 1. Read the following Proceedings of the Board of Revenue, dated 22nd February 1867:—

Read Proceedings of the Madras Government, Revenue Department, dated 10th January 1867, No. 78.

	Receipts including balances.	Charges.
1863-64	29,792	20,858
1864-65	18,638	8,006
1865-66	21,213	12,393

1. The Board observe that the Local Fund of the Madras District is by no means rich. The marginal statement exhibits the receipts and charges during the past three years. It will be perceived that little assistance can, therefore, be given towards the works referred to from this source at present.

2. The introduction of the Road Cess in this district will, however, largely increase the receipts of the Local Fund, and the Collector will be requested to report whether funds will now be available for the works proposed, and whether, in his opinion, it is expedient to give them a preference over other works.

No. 2. ORDER THEREON, 1st March 1867, No. 503.

Miscellaneous.

Communicated to the Public Works Department, with reference to paragraph 47, G. O., dated 10th January 1867, in that Department.
