PROCEEDINGS OF THE BOARD OF REVENUE, dated 19th December 1866.

Read the following letter from V. H. LEVINGE, Esq., Collector of Madura, to the Secretary to the Board of Revenue, dated 12th December 1866, No. 409:—

1. With reference to the Order of Government marginally noted, I have the honor to state that of the three Cavalgars, therein referred to, two are attached to the Chittanay anicut, and one to the Peranay anicut.

18th November 1865, No. 3,479.

2. The Sub-Engineer in charge of the First Range suggested, for my consideration, the employment of an additional Cavalgar for Peranay anicut, a single hand being altogether unable to work the sluice-shutters, and to superintend the conservancy of the anicut and main-channel up to the Chuckra anicut, especially during heavy floods. The Superintending Engineer, whom I have consulted on the subject of the said proposal, concurs with the Sub-Engineer in the desirability of the appointment of an additional Cavalgar.

3. I therefore request that the Board will be good enough to obtain the sanction of Government, for the entertainment of another Cavalgar on a salary of Rupees 4 per mensem.

The Collector will explain from what fund these Cavalgars are paid.
