Proceedings of the Madras Government, Revenue Department, March 1867.

No. 68. Read the following Proceedings of the Board of Revenue, dated 19th February 1867, No. 1,021.

Read the following letter from the Collector of the Kistna District, to the Secretary to the Board of Revenue, dated Circuit Cutcherry at Kollur, in Repally Talook, 31st January 1867, No. 28 :—

1. With reference to the Board's Proceedings of the 21st December 1866, No. 9,100, I have the honor to return, herewith, the Yeomiah List for the year 1865, and at the same time beg to state, for the information of the Board, that the list for the year 1864 having been lost, and those for the previous years having been destroyed by the late cyclone, it was found necessary to re-examine the Yeomialidars and note down their ages afresh. Hence the difference in a few cases between the Returns of the years 1864 and 1865.

2. The examination having been carefully made, both at the Huzur and in the Talooks, I believe the figures in the Return for 1865 are correct.

3. The Yeomialidars will be again examined before the despatch of the Return for 1866, with a view to testing the accuracy of the past year's Returns.

4. The inaccuracies in the list for 1864 are only to be accounted for by the fact that, all the previous years' accounts having been destroyed in November 1864, the ages were entered without proper inquiry being made; there has been a change in the Head of the English Department since then, and I trust such mistakes will not recur.

Enclosure No. 1.—Yeomiah List.

Submitted to Government, with reference to their Official Memorandum, dated 11th December 1866, No. 152.

No. 69. Order thereon, 4th March 1867, No. 536.

Miscellaneous.

Ordered to be recorded.
