Proceedings of the Madras Government, Revenue Department, 8th March 1867.

No. 127. Read the following Proceedings of the Board of Revenue, dated 27th February 1867, No. 1,216.

Read the following letter from the Collector of Bellary, to the Secretary to the Board of Revenue, dated Gooty, 7th February 1867, No. 20:—

1. I have the honor to request the sanction of Government for the sale of the materials of the Travellers' Bungalow at Pamidi, in Gooty Talook.

2. This bungalow was reported unsafe by the Public Works Department, not without due grounds. I inspected it, and found the cracks in the walls and their divergence from the perpendicular, quite justified the report. The whole soil in the neighbourhood of Pamidi, is salt and unsound; the place is low, almost a swamp, and no traveller with a due regard to his health would linger in the vicinity of the town. I have introduced sanitary measures therein, and on my recent visit they were in progress.

3. It is not likely that the Pamidi bungalow will require to be re-constructed. It could not be re-constructed on its present site, without being razed to the foundations, which are in fault, and I do not think there is a call to erect a new one. The Kurnool and Bangalore road will not be frequented when the rail reaches Gooty. I beg sanction to sell the materials, and to hand over the wood-work, the only valuable portion of them, to the Department of Public Works, on a valuation. The furniture I have removed to other bungalows where it is being utilized.

The sanction of Government will be requested to the sale of the materials of the bungalow. If the wood-work is required by the Department of Public Works, it should be transferred without payment.
