Proceedings of the Madras Government, Revenue Department,
8th March 1867.

No. 129. Read the following letter from the Collector of South Arcot, to the Chief Secretary to Government, Fort Saint George, dated Trinomalay, 15th February 1867, No. 4 :—

1. The question has been raised in the Committee of the Municipal Commissioners of Cuddalore, whether the Road Cess collected from ryots residing within the Municipal limits should not be credited to the Municipality.

2. As it has been decided that all roads situated within the Municipality are hereafter to be maintained and kept in repair by the Commissioners, with the exception of the two Trunk Lines which happen to cross the Municipal limits, I presume that Government will be prepared to authorize the amount of Road Cess levied from ryots resident within those limits to be made over to the Commissioners.

3. I request the instructions of Government on the subject for my guidance.

Referred for consideration in the Revenue Department.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
