No. 139. Read the following letter from the Collector of Kistna District, to the Secretary to Government, Revenue Department, Fort Saint George, dated Masulipatam, 27th February 1867, No. 6 :—

1. With reference to Government Order, dated 2nd February 1867, No. 206, stating that a member of the Geological Survey would accompany Major Applegath for the purpose of examining the country near Jaggiapett, where Major Applegath believes coal will be found, and authorizing an expenditure by me of Rupees 500 in rewards, &c., I have the honor to state that Mr. Stuart, Head Assistant Collector, has offered to proceed to Jaggiapett and collect specimens of all the rocks in the vicinity, as well as to thoroughly explore the ground in anticipation of the arrival of the member of the Survey who may be appointed.

2 For this purpose Mr. Stuart has applied for permission to spend any sum not exceeding 100 Rupees, and as small rewards for the discovery of coal have repeatedly been offered without result, I am of opinion that a portion of the money could not be better spent than in the manner indicated by Mr. Stuart.

3. Mr. Stuart has made geology a study up to a certain point, and I have no doubt his report will be of value. I have, therefore, placed 100 Rupees at his disposal, and requested him to proceed at his leisure to examine the ground.

No. 140. ORDER THEREON, 8th March 1867, No. 572.
