Proceedings of the Madras Government, Revenue Department, 9th March 1867.

No. 171. Read the following Proceedings of the Board of Revenue, dated 25th February 1867, No. 1,163.

Read the following letter from the Collector of Madras, to the Secretary to the Board of Revenue, dated Sydapet, 11th February 1867, No. 31:—

In Fusly 1268, Mr. Wittingham, the late Collector of North Arcot, attached a ninth share in the Inam village of Malundoor, which formerly belonged to North Arcot, but now belongs to the Trivalloro Talook of this district. The reason for thus attaching the share appears to have been that the last incumbent, one Cooppoo Row, had died without issue, and in the order of the Collector directing it, it is stated that a report would be made to the Board, but that, pending the receipt of the Board's final instructions, the share in question should continue under attachment. No report appears, however, to have been made, and the consequence was that the said share has continued under the management of the Collector ever since, the proceeds being credited to Government. The Deputy Collector of the Inam Commission recently inquired into the circumstances of the attachment, and the temporary lapse of the share to Government, and has finally decided that the said ninth share should be restored, together with past proceeds, to Vennavalloo Hanoomajee Row and Nippanee Soobba Row, who are the present surviving members of the deceased. The Inam Commissioner, having confirmed the decision of the Deputy Collector, has now requested me to restore the ninth share to the two individuals above alluded to, together with past proceeds. I have already issued orders for the restoration of the share, but as the proceeds have been carried to the credit of Government, and not held in deposit as stated in the extract from the Inam Register, I request the Board will obtain the sanction of Government to my refunding Rupees 663-4-11, being the net collections, from Fuslis 1268 to 1275, after deducting the Jody due to Government up to Fusly 1275. If the usual commission for management is charged, the amount eventually payable will be Rupees 651-12-8.

	Rs.	A.	P.
Collections from 1268 to 1275	767	10	9
Deduct Jody, including the quit-rent imposed up to 1275 ...	104	5	10
	663	4	11
Commission at 1-8 per cent. ...	11	8	3
	651	12	8

The sanction of Government will be solicited for the refund of Rs. 663-4-11. The Board consider the charge for management is a fair one, but under the circumstances of the case they would not exact it.
