Proceedings of the Madras Government, Revenue Department, 9th March 1867.

No. 184. Read the following Proceedings of the Board of Revenue, dated 27th February 1867, No. 1,209.

Read the following letter from the Collector of Nellore, to the Secretary to the Board of Revenue, dated Podalakuru, Rapur Talook, 29th January 1867, No. 18:—

1. I have the honor to submit the report of the Committee on the Cattle Show held at Addanki on the 21st and 22nd instant.

2. I was not able to attend the Show myself, as I had to be present at the examination of the Assistants, but Mr. St. Clair, the Sub-Collector, took my place, and I have much pleasure in requesting attention to his letter of the 24th, No. 12, forwarding the report. Mr. Thornhill, the Collector of the Kistna District, was also, the Board will observe, able to give us his assistance on the occasion.

3. Considering, in the words of the Committee, the "unfavorable nature of "the past season, and the unusually prolonged period of drought," that the Show should be at all equal to past Shows will, I trust, be considered as satisfactory as the continued success in extending its influence to cows and heifers. And the increased competition between different villages in this district, to which Mr. St. Clair refers, is a satisfactory proof that the prizes offered are "encouraging the ryots generally to pay greater attention to their stock."

5. The cost of the Show has been Rupees 1,574, as set forth in Mr. St. Clair's letter of the 24th, No. 13, of which I also enclose a copy. And, in requesting that sanction may be obtained for the disbursement of this amount, I have the honor further to request that sanction may be obtained for holding a similar Show next year at the same time and place.

Report of the Committee on the Cattle Show held at Addanki, in the Nellore District, on the 21st and 22nd January 1867.

The Sub-Collector, ex-officio Member of the Committee, requested Mr. G. Thornhill, Collector of the Kistna District; Mr. C. Rundall, Special Assistant Collector, Nellore; Mr. J. A. Marjoribanks, Deputy Collector in charge of the Salt Department; Wallamannati Venkatachelum Puntulu, Deputy Collector, and Denavahi Purushotamaya, Head Serishtadar of the Kistna District, together with Kasikela Raghupati Row, Tahsildar of the Kandukur Talook, and Madakasiri Raja Row, Sub-division Serishtadar of the Nellore District, to assist in awarding the prizes.

Full-grown Bulls	1st Prize 75 Rs. 2nd ,, 50 ,,

Only seven animals were exhibited in this class, and of these four were from the Kistna District. Among the latter, one was disqualified through having obtained the first prize last year, but the first prize was awarded to another exhibited by Killali Laxmaya, of Tarlapad, in the Bapatla Talook. The second prize was carried off by Paidi Kotappa, of Tangutur, Ongole Talook. The disqualified animal was considered by the Committee to be inferior to that which obtained the first prize on the present occasion, although superior to the one to which the second prize was given.

Five-year-old Bulls	1st Prize 70 Rs. 2nd ,, 45 ,,

There was a fair show of fourteen five-year-olds. Chaganti Chowdari Naidu, of Kamepalli, Kandukur Talook, took the first prize; and Kakarlapudi Venkataramraz, of Marlapad, Ongole, the second. Considering the general excellence of the animals exhibited in this class, the Committee

awarded a special prize of Rupees 15, which was obtained by Kongari Nallaya, of Penamolu, Guntoor, Kistna District.

Four-year-old Bulls ... ... { 1st Prize 60 Rs. / 2nd ,, 40 ,, / 3rd ,, 20 ,,

The number exhibited in this class (twenty-three) shewed a slight increase as compared with last year. The first prize was awarded to Karavadi Kodanda Ramaya, of Karavadi, Ongole Talook; and the second and third to Kota Pitchanna, of Venkannapallem, and Chaganti Chowdari Naidu, of Kamepalli, both in the Kandukur Talook.

Three-year-old Bulls ... ... { 1st Prize 50 Rs. / 2nd ,, 35 ,, / 3rd ,, 15 ,,

There was a marked and unaccountable falling off in this class, the number exhibited being only nine, against thirty-eight in the previous year. Of these, one exhibited by Kakarlapudi Venkataramraz, to whom the first prize was awarded, was the only really deserving one of the lot. The Committee, however, considering themselves bound to award the full number of prizes, gave the second to Mumanedi Subaya, of Denuvakonda, Ongole, and the third to Mullamuri Ramaya, Yenikepad, of the same talook.

Two-year-old Bulls ... ... { 1st Prize 40 Rs. / 2nd ,, 24 ,, / 3rd ,, 12 ,,

The number of two-year-old Bulls exhibited exceeded that of last year, the entries being 21. Addepalli Ramudu, of Nidamalur, obtained the first prize; Vyella Viramraz, of Nandipad, the second; and Bezawada Narasimulu, of Nidamalur, the third; both villages belonging to the Ongole Talook.

Yearling Bulls ... ... { 1st Prize 30 Rs. / 2nd ,, 20 ,, / 3rd ,, 10 ,,

In this class there was a good show of eleven animals. After considerable discussion, the first prize was adjudged to Chittabattuni Chentsu Naidu, of Chendalur, in the Ongole Talook, while the second and third fell to the Kistna District, being carried off by Namburi Venkanna, of Lingaravupalem, Rajapett Talook, and Nallapaneni Bapaya, of Jagarlamudi, in the Bapatala Talook.

Bull Calves ... ... { 1st Prize 25 Rs. / 2nd ,, 15 ,, / 3rd ,, 8 ,,

Of the eleven animals entered under this class, five came from Ongole, five from Kandukur, and the remaining one from the Kistna District. The first and second prizes were awarded to Chaganti Chowdari Naidu, of Kamepalli, and Kanta Govindu, of Paidipad, both of the Kandukur Talook; and the third to Tottempudi Peraya, of Lingaravupalem, in the Rajapett Talook, Kistna District. A special prize of Rupees 5 was also awarded to Katta Pitchanna, of Uppaladinna, likewise of the Kandukur Talook.

Full-grown Cows ... ... { 1st Prize 80 Rupees. / 2nd ,, 50 ,, / 3rd ,, 40 ,, / 4th ,, 30 ,,

The show of Cows was remarkably good, although in point of number (twenty-six) slightly inferior to that of last year. Some difficulty was experienced by the Committee in adjudging the two first prizes, but preference was ultimately shewn to that exhibited by Donempudi Ramudu, of Nidamalur, Ongole Talook, the second prize being given to Chaganti Bhimanna, of Kamepalli, in

Kandukur. The third and fourth prizes fell to Addepalli Ramudu, of Nidamalur, and Chittabattuni Chentsu Naidu, of Chendalur, both in the Ongole Talook.

Four-year-old Heifers ... ... { 1st Prize 70 Rupees. / 2nd ,, 40 ,, / 3rd ,, 30 ,, / 4th ,, 20 ,,

There was an unprecedented number of entries in this class, no less than fifty animals having competed for the four prizes. The first prize was carried off by Gadde Venkatesam, of Annavaram, in the Bapatla Talook, who was the only exhibitor from the Kistna District. The second and fourth fell to Bolinedi Adinaraidu and Bolinidi Ramasami, of Yenikapad, in the Ongole Talook; and the third to Chaganti Pedda Chowdari Naidu, of Kamepalli, in the Kandukur Talook. Considering the number and the excellence of the animals of this class, two special prizes of Rupees 10 each were awarded to Mannem Kondadu and Codur Sami, both of Nidamalur, in the Ongole Talook.

Three-year-old Heifers ... ... { 1st Prize 60 Rupees. / 2nd ,, 30 ,, / 3rd ,, 20 ,,

There was a falling off in the number of three-year-old Heifers, thirteen only being entered, all of which came from the Ongole Talook. The first prize was won by Nagineni Ramudu, of Yenikapad, and the second and third by Billa Subadu and Mittanosala Kondadu, both of Tangutur.

Two-year-old Heifers ... ... { 1st Prize 50 Rupees. / 2nd ,, 25 ,, / 3rd ,, 20 ,,

There were fifteen entries under this class. The first prize was given to Chakka Kotudu, of Karumanchi, and the second to Yelluri Ramudu, of Tangutur, both in the Ongole Talook, and the third to Kakumani Tatigadu, of Uppalapad, in the Kandukur Talook.

Yearling Heifers ... ... { 1st Prize 40 Rupees. / 2nd ,, 20 ,, / 3rd ,, 15 ,,

An improvement as regards numbers was observed in this class, twelve animals having been exhibited. The first prize was obtained by Yellusuri Venkataramudu of Tangutur; the second by Potu Pitchanna, of Venkanapalem, in the Kandukur Talook; and the third by Chegonda Narasadu, of Nidamalur, in the Ongole Talook.

Heifer Calves ... ... { 1st Prize 30 Rupees. / 2nd ,, 20 ,, / 3rd ,, 15 ,, / 4th ,, 10 ,,

Only five Calves competed for the four prizes to be awarded. The successful exhibitors were Kanta Govindu, of Paidipad, Kandukur Talook; Addepalli Ramudu, of Nidamalur, Ongole; Sudabattuni Adivigadu, of Tumad; and Chaganti Abbaya, of Kamepalli, both of the Kandukur Talook, who obtained the first, second, third, and fourth prizes respectively.

Working Cattle.

Twelve pairs of exceedingly fine bullocks were exhibited. The first prize was gained by Belinedi Ramasami, of Yenikapad, Ongole Talook; the second by Bandarupalli Subaya, of Dondapad, in the Rajapett Talook; the third by Kotta Appanna, of Jagarlamudi, Bapatla Talook, both of the Kistna District. A special prize was awarded to Ravula Appaya, of Kondamunjulur, Ongole Talook.

The Committee observe, with pleasure, that there has been no material falling off in the number of Cows and Heifers exhibited, the Show in the four-year-old class being, as before remarked, particularly fine.

The total number of animals admitted was 241, being one more than last year, and very few were excluded under the rule regarding arrival promulgated at the last show. As determined by

the Committee on that occasion preference was shewn in awarding the prizes to the holders of certificates, but the number of cases in which these had been obtained was extremely limited.

Considering the unfavorable nature of the past season, and the unusually prolonged period of drought, the Committee are of opinion that the result of the Show was on the whole more favorable than was to have been anticipated.

From the Sub-Collector of Nellore, to the Collector of Nellore, dated Addanki, 24th January 1867, No 12.

1. I have the honor to forward the report of the Committee on the Cattle Show held at Addanki on the 21st and 22nd instant, together with a Statement shewing the names and residence of the different exhibitors.

2. As will be seen from the report, the Show was, on the whole, a satisfactory one, the number of animals admitted exceeding by one the number sent for exhibition on the preceding occasion. It is gratifying to observe that the Cows and Heifers again formed the greater portion of the entries, although there was an actual decrease of one as compared with last year. The extraordinary falling off, remarked by the Committee, in the number of three-year-old Bulls, hitherto one of the most prominent features of the Show, was to some extent compensated by a considerable increase in the important class of four-year-old Heifers.

3. The Kistna District, although not so fortunate on the whole as on the last occasion, again carried off the first prize for full-grown bulls; and but for the fact that another animal exhibited had already obtained the first prize, would, as in last year, have taken the second prize also. For yearling bulls and working cattle, that district obtained two out of the three prizes; and it exhibited the best four-year-old heifer among a magnificent collection of fifty animals of that class. It may be hoped that the success of this animal, the only heifer of any class contributed to the Show from the Kistna, will have the effect of increasing the competition in these classes between the two districts.

4. The increased competition between different villages in this district was a noticeable feature of the present Show. Thus, the village of Nidamalur, which last year carried off more than one-third of the total number of prizes, succeeded on this occasion in gaining only eight out of forty-six; while a considerable number were obtained by other villages of hitherto comparatively small reputation. This result appears to be due, not so much to a falling off in the animals exhibited by the village above mentioned as to the effect of the prizes obtainable at this and the

Nellore Show in encouraging the ryots generally to pay greater attention to the improvement of their stock. In the class of four-year-old heifers, for instance, in which Nidamalur particularly distinguished itself last year, it failed on the present occasion to obtain any of the four regular prizes, although exhibiting twelve excellent animals, for two of which special prizes were awarded.

5. The Show was this year visited by the Collector and several Officers of the Kistna District, who kindly afforded their assistance in awarding the prizes. But for the aid thus rendered, some difficulty would have been experienced in forming a Committee of the usual number of members.

From the Sub-Collector of Nellore, to the Collector of Nellore, dated Addanki, 24th January 1867, No. 13.

1. I have the honor to forward an Arzi from the Tahsildar of Ongole, shewing the expenses incurred in connection with the Cattle Show held at Allanki on the 21st and 22nd instant, together with vouchers for the different sundry items, in order that sanction may be obtained for the same.

2. The total expenditure was, as shewn below :—

	Rs.	A.	P.
	1,574	12	0
Amount of regular prizes awarded...	1,494	0	0
Amount of special prizes awarded...	55	0	0

1. Submitted for the information of Government, with the request that the expenditure incurred, Rupees 1,574, may be sanctioned.

2. The Board concur with Mr. Dykes in considering that the success of the Addanki Cattle Show was *most* satisfactory, considering the advanced character of the past season. They request permission to convey the thanks of Government to the gentlemen who formed the Committee, and they beg to support the Collector's recommendation that another Show be held at the same time and place next year.

No. 185. ORDER THEREON, 9th March 1867, No. 594.

Miscellaneous.

1. The Government sanction the charges incurred, viz., Rupees 1,574, and approve the proposal to hold a similar Show next year at the same time and place. The results on the present occasion were decidedly satisfactory.

2. The Board will convey the thanks of Government to the gentlemen who gave their services as judges.
