Reference No. 442 (Petition) dated 24th August 1899

An extent of 5.06 acres bearing an assessment of Rs. 4-7-0 in the village of Nayanapalli in the Bapatla Taluk of the Kistna District, which was originally granted as a charitable tope inam was confirmed at the Inam Settlement as a public tope free of all tax, a title deed (No. 616) being issued in support of the grant. The Collector now reports that part of the land is covered by Muhammadan graves and that the produce of the rest has long been utilized for processional purposes during the Muharram festival. The inamdars plead ignorance of the object of the grant and propose to continue utilizing the produce of the land in connection with the Muharram procession. They possess no sanads or documents to prove that the inam was intended to be a religious grant and have applied for the grant of a ryotwari patta for the land. In these circumstances the Collector recommends the resumption of the inam and the transfer of its assessment to the Guntur Taluk Board which has agreed to utilize the income towards the maintenance of a public tank at Karenchedu.

2. The Board supports the Collector's recommendation and submits it for the sanction of Government.
