AUGUST.

Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 16 of the Madras Forest Act for the constitution of the Madinapad extension 2 block, in the Palnad taluk, Kistna district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

The Hon'ble Mr. J. STURROCK, I.C.S.

READ—the following letter from E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Kistna (through the District Forest-officer, Kistna), dated Camp, Nellore, 27th March 1899, Ref. No. 226-B. and G. :—

I have the honour to report the conclusion of the settlement of the proposed Madinapad extension 2 reserve in the Palnad taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act proposing to constitute this area into a reserved forest appeared at pages 973 and 974 of the *Fort St. George Gazette*, dated 3rd August 1897, and the proclamation under section 6 of the Act was published in the District Gazette, dated 2nd October 1897. The time allowed for the presentation of claims expired on the 2nd January 1898.

3. I was originally appointed to settle this block and, during my absence on privilege leave, M.R.Ry. P. S. Singáravélu Pillai Avargal was appointed Settlement-officer. In notification published at page 992 of *Fort St. George Gazette*, dated 18th October 1898, the block was retransferred to me for settlement.

4. The block was inspected, perambulated and enquired into by me in February 1899 and forty-five claims were preferred for the following rights :—

- (i) Twenty-three claims to Government patta fields;
- (ii) Nineteen claims to rights of way to fields; and
- (iii) Three claims to other rights of way.

(i) Of the twenty-three claims to Government patta fields, twenty-one claims were admitted, while the remaining two claims were rejected as unnecessary as the field lie outside the reserve. Of these admitted, the fields in twelve claims have been excluded by an alteration of the reserve boundary, while those in the remaining nine claims have been ordered to be demarcated out and retained as enclosures within the reserve free from reservation.

(ii) Of the nineteen claims to rights of way to fields, nine claims were admitted, while the remaining claims were rejected as unnecessary owing to the exclusion of the fields.

- (iii) The claims to other rights of way were all admitted.

5. The reserve is thus free of all rights except these stated above.

6. The following are submitted herewith :—

- (i) A signed copy of the B. Register of claims;
- (ii) The draft notification under section 16;
- (iii) The sketch-map of the reserve; and
- (iv) The numerical statement of claims filed and disposed of.

7. The date from which reservation is to take effect has to be inserted in the draft notification.

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 346, dated 10th August 1899:—

The Hon'ble Mr. J. STURROCK, I.C.S.

Read—the following letter from E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Kistna (through the District Forest-officer, Kistna), dated Camp, Nellore, 27th March 1899, Ref. No. 226-B. and G.:—

I have the honour to report the conclusion of the settlement of the proposed Madinapad extension 2 reserve in the Palnad taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act proposing to constitute this area into a reserved forest appeared at pages 973 and 974 of the *Fort St. George Gazette*, dated 3rd August 1897, and the proclamation under section 6 of the Act was published in the District Gazette, dated 2nd October 1897. The time allowed for the presentation of claims expired on the 2nd January 1898.

3. I was originally appointed to settle this block and, during my absence on privilege leave, M.R.Ry. P. S. Singáravélu Pillai Avargal was appointed Settlement-officer. In notification published at page 992 of *Fort St. George Gazette*, dated 18th October 1898, the block was retransferred to me for settlement.

4. The block was inspected, perambulated and enquired into by me in February 1899 and forty-five claims were preferred for the following rights:—

- (i) Twenty-three claims to Government patta fields;
- (ii) Nineteen claims to rights of way to fields; and
- (iii) Three claims to other rights of way.

(i) Of the twenty-three claims to Government patta fields, twenty-one claims were admitted, while the remaining two claims were rejected as unnecessary as the field lie outside the reserve. Of these admitted, the fields in twelve claims have been excluded by an alteration of the reserve boundary, while those in the remaining nine claims have been ordered to be demarcated out and retained as enclosures within the reserve free from reservation.

(ii) Of the nineteen claims to rights of way to fields, nine claims were admitted, while the remaining claims were rejected as unnecessary owing to the exclusion of the fields.

- (iii) The claims to other rights of way were all admitted.

5. The reserve is thus free of all rights except these stated above.

6. The following are submitted herewith:—

- (i) A signed copy of the B. Register of claims;
- (ii) The draft notification under section 16;
- (iii) The sketch-map of the reserve; and
- (iv) The numerical statement of claims filed and disposed of.

7. The date from which reservation is to take effect has to be inserted in the draft notification.
