1. Resolved that the foregoing letter be submitted to Government, with the request that the Board may be informed whether the sanction of Government is necessary in such cases to enable the Collector to re-sell the land.

2. The Collector has not given any reason for the somewhat rigorous nature of his proceedings in this matter, and should Government sanction the course he proposes to adopt, he will be instructed to consider whether further time should be allowed in consideration of the purchasers having already paid up so large a portion of the purchase money.
