* please see Col 9 of the Statement.

From the Statement printed in para 3 of B.P. 211 of 3.6.98 it will be seen that besides the area already reserved under sections 4 and 16, it was not proposed to take up any ^{in the Narasaraopet Taluk} additional area. In para 8 of the B.P. quoted above the Board, however, added that the Collector was at liberty to submit special proposals in regard to any small areas in the taluk for the reservation of which exceptional ^{reasons} could be shown. In the present case neither the Collector nor the Board adduces any special reason for the reservation of the Guttikonda extension No. 4 block.

A draft C.M. is submitted, for approval, requesting the Board to report whether any special reasons exist for the reservation of the block.
