No. 621.

Proceedings of the Madras Government, Revenue Department,
14th March 1867.

No. 240. Read the following Proceedings of the Board of Revenue, dated 9th March 1867.

Read the following:—

Season Report for the fortnight ending 28th February.

1. No rain during the fortnight, it is much needed for standing crops, which in some localities are reported to have withered.

2. There has, however, been considerable reaping in such parts of the district as have the means of irrigation. The out-turn in some cases is stated to be above one-half the average yield.

3. Price of grain has generally fallen throughout the district, and especially in the Ahtur Talook, where first sort paddy is selling at Rupees 168 per garce, or ten Pice per measure.

4. Public health has not been good. Fever, dysentery, small-pox, and cholera have more or less prevailed in the district, and loss of life from the two last-named diseases is reported in the Trichengode, Kistnagherry, Trippatur, and Uttengherry Talooks.

5. Cattle disease has prevailed in the Kistnagherry, Usur, and Ahtur Talooks, and a few have died in the last-mentioned talook. A deficiency of pasture and water has been reported in the Talooks of Trichengode, Dharampury, and Trippatur.
