Proceedings of the Madras Government, Revenue Department, 15th March 1867.

No. 260. Read the following Proceedings of the Board of Revenue, dated 8th March 1867, No. 1,433.

Read the following letter from the Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Kottapetta, Amalapur Talook, 6th February 1867, No. 24 :—

1. I have the honor to acknowledge receipt of copy of Proceedings of Government, Revenue Department, dated 14th January 1867, No. 107, conveying the decision of the Right Honorable the Secretary of State for India on the petition of Dronamraz Narasinga Row, late Tahsildar of the Amalapur Talook, in this district.

2. As the Tahsildarship of the Narsapur Talook will probably become vacant directly by the pensioning of the present incumbent, I beg to state, now, that from what I have seen of D. Narasinga Row, I do not consider him competent to discharge the duties of any Tahsildarship in this district.

---

1. Submitted to Government, with reference to their Proceedings quoted by the Collector.

2. The Board observe that, owing to the late amalgamation of the talooks, and to the alterations which have taken place in the Criminal Law and Procedure, the post of Tahsildar and Sub-Magistrate is one of very great responsibility, and in the interests of the people, as well as of the State, should not be held by persons whose competency is in any way questionable. They would suggest, therefore, that if the Government see fit to re-appoint Dronamraz Narasinga Row to the charge of a talook, he should be ordered down to Madras, for the Board to examine him and decide as to his fitness.

No. 261. ORDER THEREON, 15th March 1867, No. 631.

Miscellaneous.

In the face of the Collector's reiterated declaration of Narasinga Row's unfitness, the Government do not consider that they would be justified in placing him in charge of a talook. In deference to the opinion expressed by the Secretary of State, however, they desire that Narasinga Row may be employed as soon as possible in the position of Talook Sheristadar, or in some equivalent grade. At the end of twelve months from his re-employment the Collector will report on the manner in which his work has been executed.
