AUGUST.

Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification for the constitution of the Naudipadu block in the Udayagiri taluk, Nellore district, as a reserved forest under section 16 of the Forest Act.

PROCEEDINGS OF THE BOARD OF REVENUE

(LAND REVENUE).

The Hon'ble Mr. STURROCK, I.C.S.

READ—the following letter from C. M. MULLALY, Esq., Collector of Nellore, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Central Circle), dated Nellore, 23rd July 1899, No. 24-For. :—

In forwarding herewith copy of the Forest Settlement-officer's letter, Reference No. 225-B. and G., dated 23rd June 1899, reporting on the conclusion of the settlement of the proposed Nandipadu reserve in the Udayagiri taluk, I have the honour to request that Government may be moved to publish the draft notification in the *Fort St. George Gazette*, under section 16 of the Forest Act.

2. The date from which the reservation should take effect has to be inserted in the notification.

3. Draft notification, claim register, sketch-map, area statement, and numerical statement of claims are enclosed.

ENCLOSURE No. 1.

From E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement duty, Nellore, &c., Districts, to the Collector of Nellore (through the District Forest officer, Nellore), dated 23rd June 1899, Ref. No. 225-B. and G.

I have the honour to report the conclusion of the settlement of the proposed Nandipadu reserve in the Udayagiri taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act proposing to constitute this area into a reserved forest appeared at page 1151 of the *Fort St. George Gazette*, dated 22nd November 1898, and the proclamation under section 6 of the Act was published in the District Gazette, dated 1st March 1899. The time allowed for the presentation claims expired on the 31st May 1899.

3. The block was inspected, perambulated and enquired into by me in April 1899 and fifty-two claims were preferred for the following rights :—

(i) Twenty claims to Government patta and inam fields.
(ii) Eighteen claims to rights of way to fields.
(iii) Eleven claims to other rights of way.
(iv) One claim to a District Board road.
(v) One claim to a Local Fund quarry.
(vi) One petition by the ryots of Chinna Machanuru to exclude the whole of survey No. 351 of their village.

The claims to Government patta and inam fields involved in item No. (i) were all admitted, and the fields have been excluded by an alteration of the reserve boundary. Of the eighteen claims to rights of way to fields involved in item No. (ii), seventeen claims were rejected as unnecessary, the fields having been excluded by an alteration of the reserve boundary and one was admitted.

The eleven claims to six rights of way involved in item No. (iii) were all admitted.

The claim to the District Board road involved in item No. (iv) was admitted, and the road has been excluded from reservation to a width of 22 yards on either side from its centre.

The claim to the Local Fund quarry has been admitted, and the quarry has been ordered to be demarcated out and retained as an enclosure within the reserve free from reservation.

The petition by the ryots of Chinna Machanuru to exclude the whole of survey No. 351 of their village involved in item No. (vi) was rejected as the petitioners have no right to the land claimed. The waste available outside the reserve excluding porambokes as per village accounts is *1338·98 acres or nearly 50 per cent. of the occupied area, viz., 2607·57 acres, and this I consider sufficient for all purposes. Portion of this field has, however, been excluded with the patta fields with the object of straightening the boundary and affording means of access to the fields.

	Acs.
*Assessed waste	859·71
Unassessed	479·27
	1338·98

4. The reserve is thus free of all rights, except those stated above.

5. The following are submitted herewith :—

(i) A signed copy of the B. register of claims.
(ii) The draft notification under section 16.
(iii) The sketch-map of the reserve.
(iv) The numerical statement of claims filed and disposed of.

6. The date from which reservation is to take effect has to be inserted in the draft notification.

RESOLUTION—Forest No. 377 dated 25th August 1899.

Submitted to Government, for approval and publication in the *Fort St. George Gazette*, the 1st January 1900 being recommended as the date from which the reservation of the block shall take effect.

2. The dates of presentation of claims Nos. 51 and 52 have not been given. They should now be reported.

3. It is observed that private holdings to an extent of 300 acres situated on the edge of the block had to be thrown out during settlement. The inclusion of patta lands on the boundary line unnecessarily increases the work of the Forest Settlement-officer and augments the expenditure on demarcation. The Collector is requested to see that greater attention is paid to the selection of reserves in future.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 377, dated 25th August 1899 :—

The Hon'ble Mr. Sturrock, I.C.S.

Read—the following letter from C. M. MULLALY, Esq., Collector of Nellore, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Central Circle), dated Nellore, 23rd July 1899, No. 24-For. :—

In forwarding herewith copy of the Forest Settlement-officer's letter, Reference No. 225-B. and G., dated 23rd June 1899, reporting on the conclusion of the settlement of the proposed Nandipadu reserve in the Udayagiri taluk, I have the honour to request that Government may be moved to publish the draft notification in the *Fort St. George Gazette*, under section 16 of the Forest Act.

2. The date from which the reservation should take effect has to be inserted in the notification.

3. Draft notification, claim register, sketch-map, area statement, and numerical statement of claims are enclosed.

Enclosure No. 1.

From E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement duty, Nellore, &c., Districts, to the Collector of Nellore (through the District Forest officer, Nellore), dated 23rd June 1899, Ref. No. 225-B. and G.

I have the honour to report the conclusion of the settlement of the proposed Nandipadu reserve in the Udayagiri taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act proposing to constitute this area into a reserved forest appeared at page 1151 of the *Fort St. George Gazette*, dated 22nd November 1898, and the proclamation under section 6 of the Act was published in the District Gazette, dated 1st March 1899. The time allowed for the presentation claims expired on the 31st May 1899.

3. The block was inspected, perambulated and enquired into by me in April 1899 and fifty-two claims were preferred for the following rights :—

(i) Twenty claims to Government patta and inam fields.
(ii) Eighteen claims to rights of way to fields.
(iii) Eleven claims to other rights of way.
(iv) One claim to a District Board road.
(v) One claim to a Local Fund quarry.
(vi) One petition by the ryots of Chinna Machanuru to exclude the whole of survey No. 351 of their village.

The claims to Government patta and inam fields involved in item No. (i) were all admitted, and the fields have been excluded by an alteration of the reserve boundary. Of the eighteen claims to rights of way to fields involved in item No. (ii), seventeen claims were rejected as unnecessary, the fields having been excluded by an alteration of the reserve boundary and one was admitted.

The eleven claims to six rights of way involved in item No. (iii) were all admitted.

The claim to the District Board road involved in item No. (iv) was admitted, and the road has been excluded from reservation to a width of 22 yards on either side from its centre.

The claim to the Local Fund quarry has been admitted, and the quarry has been ordered to be demarcated out and retained as an enclosure within the reserve free from reservation.

The petition by the ryots of Chinna Machanuru to exclude the whole of survey No. 351 of their village involved in item No. (vi) was rejected as the petitioners have no right to the land claimed. The waste available outside the reserve excluding porambokes as per village accounts is *1338·98 acres or nearly 50 per cent. of the occupied area, viz., 2607·57 acres, and this I consider sufficient for all purposes. Portion of this field has, however, been excluded with the patta fields with the object of straightening the boundary and affording means of access to the fields.

	Acs.
*Assessed waste	859·71
Unassessed	479·27
	1338·98

4. The reserve is thus free of all rights, except those stated above.

5. The following are submitted herewith :—

(i) A signed copy of the B. register of claims.
(ii) The draft notification under section 16.
(iii) The sketch-map of the reserve.
(iv) The numerical statement of claims filed and disposed of.

6. The date from which reservation is to take effect has to be inserted in the draft notification.

Request to exclude the whole of survey No. 351 of Chinna Machanuru from the proposed reserve for the use of the ryots of their village.	The village accounts show that the waste available outside the reserve excluding porambokе is 1,338·98 acres or nearly 50 per cent. of the occupied area of 2,607·57 acres.	Thinks that the patta fields excluded are sufficient.	Claim rejected. What the petitioners have enjoyed hitherto was only the privilege of free grazing which is revokable at the will of Government. A portion of this field has, however, been excluded with the patta fields with the object of straightening the boundary and affording means of access to the fields. Forwarded.

Resolution—Forest No. 377 dated 25th August 1899.

Submitted to Government, for approval and publication in the *Fort St. George Gazette*, the 1st January 1900 being recommended as the date from which the reservation of the block shall take effect.

2. The dates of presentation of claims Nos. 51 and 52 have not been given. They should now be reported.

3. It is observed that private holdings to an extent of 300 acres situated on the edge of the block had to be thrown out during settlement. The inclusion of patta lands on the boundary line unnecessarily increases the work of the Forest Settlement-officer and augments the expenditure on demarcation. The Collector is requested to see that greater attention is paid to the selection of reserves in future.
