Proceedings of the Madras Government, Revenue Department,
18th March 1867.

No. 286. Read the following Proceedings of the Board of Revenue, dated 8th March 1867, No. 1,438 :—

Read the following Proceedings of the Madras Government, dated 27th February 1867, No. 484, Revenue Department.

ABSTRACT.—Referring to the Board a letter from the Collector of Bellary, and requesting them to ascertain precisely what course has been followed at the several Millitary Stations regarding the census to be taken on the 1st March, and to secure that the returns are on a uniform system as to the inclusion or exclusion of troops and followers.

---

1. The Board observe that the rules submitted with their Proceedings, dated 31st May 1858, provided that the census of all soldiers and residents in Cantonments should be taken by the Military authorities. These rules, however, were never promulgated, as the consideration of the subject was deferred in Extract from Minutes of Consultation, dated 18th June 1858, No. 839.

2. The Board much doubt whether the residents in any Cantonment are ncluded in the census just taken. The Collectors of all Districts in which troops are located will, however, now be requested, in communication with the Military authorities, to make arrangements for taking a census of such persons on the 1st of May next, in view to their being included in the General Returns submitted to the Board with their Settlement Reports. Collectors are also requested to state whether the prisoners in Jails are included in the census, and if not, to include them in the Supplemental Returns now called for.
