Proceedings of the Madras Government, Revenue Department, 9th January 1867.

No. 124. Read the following Proceedings of the Board of Revenue, dated 22nd December 1866.

Read the following letter from the Collector of Tanjore, to the Secretary to the Board of Revenue, dated Vellum, Tanjore Talook, 10th December 1866, No. 311 :—

1. With reference to paragraphs 1 and 2 of the Board's Proceedings, dated 29th October 1866, No. 7,813, I have the honor to state that I do not consider it necessary to make any advances to ryots in this district, for replacing the cattle lost during the prevalence of the late excessive drought and want of pasture.

2. In this district loss of cattle has not taken place to any considerable extent, except in parts of the Upland Talooks of Pattukottai and Tritrapundi, and in these exceptional parts, the necessary agricultural stock has been already replaced by the ryots wherever the season permitted of the cultivation operations being commenced. Moreover, the season has now so far advanced, that cattle purchased at the present time could be of very little practical use this year for agricultural purposes; and I, therefore, under these circumstances, deprecate advancing money which might be badly spent, and would certainly only be recovered with difficulty.

Submitted for the information of Government.
