Proceedings, Forest No. 363, 22nd August 1899.

AUGUST.

Submitting to Government, for approval and publication in the Fort St. George Gazette, draft notification under section 4 of the Madras Forest Act for the constitution of the Kanakamajlu block in the Kasaragod taluk, South Canara district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

The Hon'ble Mr. J. STURROCK, I.C.S.

READ—the following letter from A. F. PINHEY, Esq., Collector of South Canara, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Southern Circle), dated Mangalore, 30th June 1899, Sup. Cur. No. 531-For. :—

I have the honour to submit, for the Board's approval and submission to Government, draft notification under section 4 of the Forest Act for the proposed Kanakamajlu reserve No. 110 which is one of the new selections in the Kasaragod taluk.

The sketch-map of the block, the key-map of the Kasaragod taluk, the statement of area and condition and certificate of inspection are enclosed.
Sufficient grazing ground has been left outside the reserve for communal purpose.

Endorsement by H. A. GASS, Esq., Acting Conservator of Forests, Southern Circle, dated Coimbatore, 7th July 1899, No. 34.
Forwarded with my approval.

Reference on the above, dated 21st July 1899, No. 217.

The certificate submitted omits particulars as to the final inspection of the block and the checking of its preliminary demarcation as required by Board's Proceedings, Forest No. 296, dated 26th April 1893. Moreover, it is observed from the certificate that the block has not been inspected by the District Forest-officer at any stage. The Collector's attention is therefore drawn to Board's Proceedings, Forest No. 321, dated 8th May 1893, and the District Forest-officer should now be directed to have these defects remedied before re-submitting the papers.

(Signed)

LIONEL DAVIDSON,
Acting Secretary.

To the Collector of South Canara, with five enclosures
(two maps included).

READ—the following letter from M. J. MURPHY, Esq., Acting Collector of South Canara, to the Secretary to the Commissioners of Land Revenue, dated Mangalore, 7th August 1899, Ref. on Sup. Cur. No. 531-For. :—

With reference to Board's Reference, Forest No. 217, dated 21st July 1899, I have the honour to re-submit the papers with the necessary additions made in the enclosed certificate. The block was inspected and the demarcation checked by the Ranger in charge on 20th June and 1st and 2nd July 1899.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 363, dated 22nd August 1899 :—

The Hon'ble Mr. J. STURROCK, I.C.S.

Read—the following letter from A. F. PINHEY, Esq., Collector of South Canara, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Southern Circle), dated Mangalore, 30th June 1899, Sup. Cur. No. 531-For. :—

I have the honour to submit, for the Board's approval and submission to Government, draft notification under section 4 of the Forest Act for the proposed Kanakamajlu reserve No. 110 which is one of the new selections in the Kasaragod taluk.

The sketch-map of the block, the key-map of the Kasaragod taluk, the statement of area and condition and certificate of inspection are enclosed.

Sufficient grazing ground has been left outside the reserve for communal purpose.

Endorsement by H. A. GASS, Esq., Acting Conservator of Forests, Southern Circle, dated Coimbatore, 7th July 1899, No. 34.

Forwarded with my approval.

Reference on the above, dated 21st July 1899, No. 217.

The certificate submitted omits particulars as to the final inspection of the block and the checking of its preliminary demarcation as required by Board's Proceedings, Forest No. 296, dated 26th April 1893. Moreover, it is observed from the certificate that the block has not been inspected by the District Forest-officer at any stage. The Collector's attention is therefore drawn to Board's Proceedings, Forest No. 321, dated 8th May 1893, and the District Forest-officer should now be directed to have these defects remedied before re-submitting the papers.

LIONEL DAVIDSON,
Acting Secretary.
