Proceedings of the Madras Government, Revenue Department,
19th March 1867.

No. 309. Read the following Proceedings of the Board of Revenue, dated 13th March 1867, No. 1,542.

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated Bowany, 22nd February 1867, No. 36:—

1. I have received Proceedings of the Madras Government, and their Order thereon, dated 20th December 1866, No. 3,430, and beg to report that Major Farewell, Executive Engineer of the Neilgherry Range, is now engaged on the question of the Snowdon water-supply, and that I intend placing myself in personal communication with him shortly, on the arrangements proposed by His Excellency the Governor. When the plans and estimates are completed, they will be submitted to Government with a full report.

2. Adverting to paragraph 2 of the above Order, I beg to state that I was anxiously expecting to hear, from the Reverend Mr. Griffiths, on the points alluded to in paragraphs 14 and 21 of the Government Order of the 26th March 1866, No. 745, a copy of which he received direct from Government; but as no communication was received from him, his attention was drawn to the subject in a letter addressed to him by the Acting Collector, Mr. MacGregor, under date the 8th January 1867. To this, no reply has yet been received, and until I hear from him, I am unable to take any steps in the matter.

Submitted for the information of Government, with reference to the Order quoted by the Collector.
