Note - This is one of the blocks, the initial reservation of which was approved in

G.O. 649 / 29.7.97 (Copy put up).

The entry 'claim No: 31/31' at foot of the B Register of claims on p. 7 of the current is evidently an error for '32/32'; the latter figure corresponding to the reference No: II (i) (a) marked in the map & in the Remarks at foot of the draft notifn.

(P.T.O.)

Against Claim No. 28/28 in the Register of Claims, the entry has D.F.O's remark "says he has objection" in Column 6 is presumed to be a clerical error for "says he has no objection".

JULY.

Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 16 of the Madras Forest Act for the constitution of the Madinapad Extension No. 1 in the Palnad taluk, Kistna district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE

(LAND REVENUE).

Mr. Hamilton Mr. G. Thurnock.

READ—the following letter from F. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Kistna (through the District Forest-officer, Kistna), dated Camp, Nellore, 29th March 1899, Ref. No. 84-Cur. :—

I have the honour to report the conclusion of the settlement of the proposed Madinapad Extension No. 1 in the Palnad taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act proposing to constitute this area into a reserved forest appeared at pages 973 and 974 of the *Fort St. George Gazette*, dated 3rd August 1897, and the proclamation under section 6 of the Act was published in the District Gazette, dated 2nd October 1897. The time allowed for the presentation of claims expired on the 2nd January 1898.

3. I was originally appointed to settle this block and during my absence on privilege leave M.R.Ry. P. S. Singáravélu Pillai Avargal was appointed Settlement-officer. In notification published at page 992 of the *Fort St. George Gazette*, dated 18th October 1898, the block was re-transferred to me for settlement.

4. The block was inspected, perambulated and enquired into by me in February 1899, and thirty-two claims were preferred for the following rights :—

(i) Twelve claims to Government patta fields ;
(ii) Twelve claims to rights of way to fields ;
(iii) One claim to a temple ;
(iv) Two claims to rights of way to the same ; and
(v) Five claims to other rights of way.

(i) The claims to Government patta fields were all admitted. The fields in nine claims have been excluded by an alteration of the boundary of the reserve ; while those in two claims have been acquired under the Land Acquisition Act. The fields in the remaining one claim have been partly excluded and partly demarcated out and retained as enclosures within the reserve free from reservation.

(ii) Of the twelve claims to rights of way to fields, nine claims were admitted, while the remaining claims were rejected as unnecessary.

(iii) The claim to a temple was admitted and the temple has been ordered to be demarcated out and retained as an enclosure within the reserve free from reservation.

(iv) The claims to rights of way to the temple were admitted.

(v) Of the five claims to rights of way, four claims were admitted, while the remaining claim was rejected.

5. The reserve is thus free of all rights except those stated above.

6. The following are submitted herewith :—

(i) A signed copy of the B. Register of claims ;
(ii) The draft notification under section 16 ;
(iii) The sketch-map of the reserve ; and
(iv) The numerical statement of claims filed and disposed of.

7. The date from which reservation is to take effect has to be inserted in the draft notification.
