No. 347. Read the following Proceedings of the Board of Revenue, dated 28th February 1867, No. 1,231.

Read the following letter from the Collector of the Kistna District, to the Secretary to the Board of Revenue, dated on Circuit at Tenally in Repally Talook, 29th January 1867, No. 26 :—

1. I have the honor to forward, herewith, copy of a letter from the Deputy Collector in charge of the Salt Department, 19th January 1867, No. 8. and request that, under the circumstances therein stated, the Board will be pleased to sanction an advance of Rupees 3,000 to the salt manufacturers at Munginapudi, and to the salt coolies at Pondraca divisions.

From the Deputy Collector of the Kistna District, to the Collector of the Kistna District, dated at Chinna Ganjam, 19th January 1867, No. 8.

	Amount payable for dittum of Fusly 1276.	Amount of advance solicited.
	Rs.	Rs.
Salt Ryots at Munginapudi... ...	16,666	2,000
Salt Coolies at Pondraca	9,375	1,000
	26,041	3,000

1. I have the honor to request that you will be pleased to obtain the sanction of the Board for making advances to the salt manufacturers at Munginapudi, and to the salt coolies at Pondraca divisions, as specified in the margin, to be recovered from the Cudivaram payable to them during the current Fusly.

2. I am aware of the Board's wishes against making any advances if possible, but the ryots at Munginapudi are very poor. They are not resident at Munginapudi, but came from a distance of eighty miles, and they have to work at their pans for at least two months before they can expect any return. I hope, therefore, their case will be considered as an exception, and that the indulgence solicited may be granted. As for the coolies at Pondraca, they live from hand to mouth, and unless they receive a small sum in advance at first, they will not freely come to work in the swamps. Care will be taken to adjust their accounts, and make frequent payments to them for salt delivered when once the storing commences.

Although the Board disapprove of the system of making advances in general, under the special circumstances of the case, they resolve to request the Government to sanction the advance requested by the Collector. The advance of Rupees 1,000, for salt coolies at Pondraca, can be made by the Collector, and, as far as possible, adjusted within the month in which it is made.
