Proceedings of the Madras Government, Revenue Department, 25th March 1867.

No. 421. Read the following Proceedings of the Board of Revenue, dated 16th March 1867, No. 1,638.

Read the following letter from the Collector of North Arcot, to the Secretary to the Board of Revenue, dated Chittoor, 25th February 1867, No. 43 :—

In forwarding, herewith, a survey, plan, and an estimate, amounting to Rupees 3,450, for forming a branch local road from Chendragherry to Rangampet, I have the honor to request that the sanction of Government may be obtained to carry out the work. This branch road, when opened, will be a most useful extension of existing local communications, as it will give access to two much frequented passes into the Cuddapah district, viz., the Beemaveram and Nagapalla ghauts, and to the valuable forest tracts situated in the two mountain gorges through which they run. I am well acquainted with the proposed trace, and can recommend the project to the acceptance of Government.

ENCLOSURES Nos. 1 to 3.—Survey, Plan, and Estimate.

The survey, plan, and estimate will be submitted for the sanction of Government. It is observed that Mr. Robinson requests that the sanction of Government may be obtained *to carry out* the work, but he is of course aware that all sanctioned works must be duly entered in the Local Fund Budget before they can be put in hand.
