*Proceedings of the Madras Government, Public Works Department,
21st March 1867.*

No. 488. Read the following letter from the Collector of Tinnevely, to the Chief Secretary to Government, Fort Saint George, dated Tinnevely, 6th March 1867, No. 122:—

1. In reply to the Government Proceedings, No. 252, dated 25th January 1867, I have the honor to inform you that I have had the Station-house and Police huts at Mailathattapari and Otapedarum inspected by the Head Assistant Magistrate, who reports that at Mailathattapari "the Inspector of Police got the villagers to sub-
"scribe for the renovation of the building; and it now seems to me perfectly safe
"and dry. All the dangerous portions having been re-constructed, new palmi-
"rah rafters put in, and a good grass thatch laid over all, so that nothing more
"need be done."

"With regard to the huts at Otapedarum, they are just as described by the
"Supervisor, and to put them into thorough repair would cost as much as to re-build
"them altogether."

2. I shall visit Otapedarum shortly, and will try and get the villagers to subscribe to re-build these huts on a better site.

No. 489. ORDER THEREON, 21st March 1867, No. 869.

ACCOUNT, No. 74.

1. A copy of the letter above read from the Collector of Tinnevely will be furnished to the Superintending Engineer of the 8th Division.

2. The Government sanction the bills, as per margin, which were submitted by the Controller of Public Works Accounts with his List under date the 9th January 1867.
