Sir,

When writing my letter No. 580 of the 21st ultimo, embodied in G. O. No. 608 R. of the 15th July 1896—, regarding the deposit of the Administration of the French Settlements in India, of the amount of the second of the two fore casts of expenditure submitted by this Railway in connection with the construction of the Peralam-Kankal Railway—, it was overlooked that by the terms of the draft communication forwarded with your letter No. 4112 of 20th December 1895 the money required in England for the purchase of stores and material should be lodged in the Bank of England.

Under these circumstances I beg that my letter
above quoted may be cancelled and that His Excellency the
Governor of the French Settlements in India may be requested
to expedite the deposit of the sterling equivalent of Rs 15,24,240/-
in the Bank of England to credit of Her Majesty's Secretary
of State for India.

From a telegram received on the 5th instant from the Director of the Interior of the French Establishment in India I understand that the Minister for Colonies at Paris has been asked to make the required payment to the Bank of England.

I have the honor to be
Your most obedient Serv^t
