*Proceedings of the Madras Government, Public Works Department,
26th March 1867.*

No. 631. Read the following letter from the Secretary to the Board of Revenue, to the Secretary to Government, Revenue Department, dated Madras, 21st March 1867:—

1. I am directed by the Board of Revenue to suggest that in case any portion of the Imperial Budget allotment for Public Works should not be completely expended in any district, the available funds should be utilized in the liquidation of the advances made from the District Road Fund for Municipal purposes.

2. In the Tinnevely District, a sum of Rupees 4,000 was advanced from this fund for expenditure on the road between Tuticorin and Palamcottah,* and Rupees

bridges.† In the Godavery, Rupees

1,000 was similarly advanced for the improvement of the roads in the Rumpah country, and in the Kistna, Rupees 1,270, for setting up the water-mill received from England.

3. Though possibly there may be but small surplus funds available in any of the districts in question, it is not improbable that at least Rupees 12,000 remains unexpended in the allotments of the nineteen districts of the Presidency.

Transferred to the Department of Public Works.

ACCOUNT, No. 99.

The Government observe that it is now too late in the official year to issue any instructions to the Superintending

Engineers for the repayment of the advances referred to in paragraph 2, but they note as regards the advance of Rupees 4,000 which has been made for the road from Palamcottah to Tuticorin, that the Superintending Engineer of the 8th Division was directed to adjust it at the close of the year, and to report his proceedings for the confirmation of Government.
