SIR,

In the notification published under section 6 of Act V of 1870 in the Fort Saint George Gazette dated 18 August 1893 (pages 926 and 927), a portion of survey No. 61 (3.86 acres) and other lands in the village of Sruvaller Saidapet taluq. were notified for acquisition on behalf of the Madras Railway Company for the construction of staff quarters. Compensation was however paid for 3.66 acres only, the extent reported by the Revenue Inspector as having been actually taken up from survey No. 61. Subsequently it was discovered that a plot of land measuring 37 cents in survey No. 61 was handed over to the Railway Company in addition

As the 3.66 acres but was through oversight, omitted to be included in the original measurement. The owner of S. 172 61 claimed compensation for this excess of 37 Cents before Mr. By A. Pinto Anaya, the Deputy Collector who declined to enter into the claim as compensation had already been settled. The claimant has repeated his claim before the Collector. He seems to be entitled to the compensation claimed.

2. I have the honor therefore, to enclose a draft notification for the formal acquisition of the 37 Cents and to publish same for its publication in the Fort Saint George Gazette.

I have the honor to be
Sir,
Your obedient servant,
A. Pinto
Collector
