Proceedings of the Madras Government, Revenue Department, 1st April 1867.

No. 1. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Ootacamund, 31st January 1867, No. 2,229 :—

With reference to that portion of paragraph 3 of the Government Order, No. 114 of the 14th of January 1867, which refers to the large stock of timber in store in the Mudumallay forest, I have the honor to forward an explanation* from the Deputy Conservator in charge of that forest. The stock on hand is large, but the demand from the Department Public Works on the Nilgiris is at present enormous, and the amount in depôt does not appear to be greatly in excess of what will be required.
