Proceedings of the Madras Government, Revenue Department, 1st April 1867.

No. 7. Read the following letter from the Sub-Secretary to the Board of Revenue, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 23rd March 1867, No. 1,819 :—

1. With reference to the Order of Government, dated 17th November 1866, No. 3,151, communicating a letter from the Government of India, I am directed by the Board of Revenue to submit, with an abstract attached, an amended Statement shewing the individual holdings, Jummah or Land Revenue, area, and population of each Talook or Tahsil in every district of the Madras Presidency. It will be seen that the number of talooks has not changed since the submission of the Statements which accompanied the Board's letter, dated 22nd October 1864, No. 6,970. The "Individual holdings" and the "Revenue" entered in the present Statements are taken from the accounts received for the Fusly year 1275 (1865-66), but the "Area" and "Population" are transcripts of the same information conveyed in the former Statements and do not differ from them, because they are taken from quinquennial Statements, of which fresh ones have not been received since the submission of the former Statements. New quinquennial Statements are due for the current Fusly 1276, (1866-67,) and will come in from the Collectorates after June next

2. In certain districts there are Zemindaries and Mootahs or Polliputs. As regards these, the information which the Government of India requires, is entered in an abstract attached to the Statements. The abstract has been prepared from the accounts in this Office, as far as available, and in other cases the figures entered are merely rough approximations.

No. 8. ORDER THEREON, 1st April 1867, No. 755.

Miscellaneous.

Ordered that the Statement be forwarded to the Government of India.
