Tanjore Head Assistant Collector's
Office
Camp, Peralam. 20. 3. 1895

From M. C. Marjoribanks Esquire
Acting Head Assistant
Collector of Tanjore

To The Collector of Tanjore

Sir,

Adverting to your Reference on Current
No. 8 dated the 22nd January 1895, I have the
honour to submit herewith a Statement showing
the approximate cost of land proposed to
be acquired for the South Indian Railway
on the South Side of the Locoyard at Naga-
patam and to report as follows:-

2. Of the total Extent of 26.38 acres required,
10.53 acres is Government Poramboke Land

and

and the remaining portion belongs to private individuals. The whole block is divided for Convenience into 14 Sub Divisions marked A to N in the Enclosed Sketch prepared by the Tahsildar. Although the whole Extent is reported to have been registered as 'cratham' at the recent Settlement, the lands (with the Exception of B, L and M) with the gardens and buildings thereon have been in the possession and enjoyment of the persons named in Column 2, for many years past and Compensation should be paid to them. As most of the owners are residing Elsewhere, the Tahsildar of Velapatam was not able to Ascertain the Amounts, which they would Consent to

to receive. M.Ry. M. G. Ramasamy Pillai has requested, in his letter dated the 7th March 1895 (herewith submitted with its Enclosure), that the Value of the Lands &c (marked K) should be Estimated at Rs 19225, whereas the Tahsildar had estimated the Value of the buildings thereon at Rs 1400. In Consideration of the Locality, I raised the figure to Rs 3000 and have provided a sum of Rs 2750 for the damage in consequence of the acquisition. Except in these few particulars, I have adopted the figures furnished by the Tahsildar.

3. Copy of Velapatam Tahsildar

Referer

Reference on Current No. $\frac{442}{Rev}$ dated
6 March 1895 is herewith submitted together
with its Enclosures for reference.

Engineer South Indian Railway
with reference to his letter No. $\frac{D/1805 B}{412}$
dated 17 January 1895.

2. The approximate value of the lands
comes to Rs 38019 as per Copy of Statement
Enclosed.

From
Tanjore Collector's Office,

J. Stokes
Esquire,
Collector & District Magistrate,

TANJORE.

To

The Secretary to Government,
Public Works Department,
Railway Branch
MADRAS.
The Consulting Engineer for Railways.

SIR,

At the request of the Consulting Engineer for
Railways, Madras, conveyed in his letter
Case 101 $\frac{No. 3415}{X}$ dated 28 October 1895, I have the
honour to forward herewith a draft Notifi-
cation under Section 6 of the Land Acquisition
act of 1894 and request that the same
may be approved and ordered to be
published in the Fort Saint George Gazette.

2. The total area of the land —
required

required for the Additional Staff quarters

Aspiratification	Extent acres 25.87	for South Indian
Poramboke		Railway is 14.85
Salt Department	1.75	
De Municipality	73	acres Exclusive
Government uppanar bank &c.	8.04	of Government —
	less 10.52 acres	
Difference acres	14.85	Poramboke Land

and the Estimated value thereof is Rs 36119.

3. The Salt Department who owns 1.75 acres of land with 35 houses thereon is unwilling to part with them. The Head Assistant Collector reports that negotiations are going on between the Salt and Railway Departments for the transfer of the whole of the Salt Depot including the 1.75 acres above referred to, to the Railway Department. As however the Acquisition

of

of the 1.75 acres is said to be very necessary for the Railway Department, the Extent is entered in the draft notification along with the rest of the land required for the work.

4. With the Exception of 5 individuals interested in this Acquisition, the rest have given their consent to make over their land for the project. A memorandum showing their names and the amounts which they demand for their property is enclosed. The total sum, so far as these individuals are concerned, comes to Rs 73,666 or Rs 74,000 in round numbers. Considering these figures and the value of the property possessed by the 5 individuals

who

who have not represented their claims, the
Head Assistant Collector's valuation is
likely to be far exceeded. The Railway
Authorities were previously acquainted
with a rough estimated value of lands

vide Copy of this office in March 1895. By renew-
No 47 dated 28 March 1895 -ing their application in

October 1895, I should think that they are
prepared to bear this high cost whatever
that may be according to the Land Acquiring
Officer's decision.

I have the honour to be,

Sir,

Your most obedient servant

For Collector
