Proceedings of the Madras Government, Revenue Department, 4th April 1867.

No. 79. Read the following Proceedings of the Board of Revenue, dated 20th March 1867, No. 1,722.

Read the following letter from the Collector of Malabar, to the Secretary to the Board of Revenue, dated Calicut, 12th March 1867, No. 55 :—

1. Sanction for the establishment I proposed to entertain for demarcating extensions of coffee cultivation in Wynaad not having been accorded, only one* demarcator has been working this season.

* Employed as per sanction of Government, dated 1st October 1866, No. 2,632.

About 2,000 acres of extensions of 1865, and about similar extents of extensions of 1866 and 1867, will have to be demarcated and surveyed in the working season of 1867-68.

2. It is desirable that a considerable amount of work should be ready for the Survey as the Revenue Survey Department may be able to despatch as soon as next working season opens, and with this view I would request sanction for the demarcators to be entertained at discretion from the 1st April next, so that opportunity may be taken of favourable weather to carry on demarcation operations. Instead of the arrangement given in paragraph 8 of my letter, dated 7th September last, I would propose establishment as noted, which I have reason to think would be more efficient. I would not entertain the whole permanently till after the monsoon, but a good deal might be done before the monsoon, and during breaks, if sanction is accorded for the entertainment of such of the party as may be necessary at discretion from the 1st April next.

	Pay.	Batta.	Total.
1 Demarcation Inspector ...	35	15	50
3 Gumastahs	20	15	105
6 Peons	7	2	54
			209

3. As Government has ruled that the expense of demarcation is to be borne by Government, I have also to request that Rupees 500 may be allowed as a standing advance to the Deputy Collector for demarcation expenses. He can render accounts monthly. Experience alone can decide what sum will ultimately have to be provided on this account.

---

1. Submitted to Government, with reference to their Order dated 27th November 1866, No. 3,236.

2. The Board recommend that the Collector be permitted to entertain at his discretion an establishment at a monthly cost of Rupees 209, bringing the total charge on this account to Rupees 2,508. Sanction is also requested for the advance of Rupees 500, referred to in paragraph 3 of the Collector's letter.

3. The necessary provision for this charge has already been made in the Budget for 1867-68 under "Temporary Establishments."

No. 80. ORDER THEREON, 4th April 1867, No. 790.

Sanctioned as recommended by the Board.
