Proceedings of the Madras Government, Revenue Department,
4th April 1867.

No. 81. Read the following Proceedings of the Board of Revenue, dated 25th March 1867, No. 1,867.

Read the following letter from the Collector of North Arcot, to the Secretary to the Board of Revenue, dated Wandavash, 9th February 1867, No. 25 :—

1. I have the honour to forward two estimates,* amounting in the aggregate to Rupees 9,200, for the construction of two bridges on the local road from Chittoor to Gudiatum, and to request that the Board will be pleased to obtain the sanction of Government for their execution during the current year.

* With one Plan.

2. There is provision in the current year's revised Local Fund Budget to meet this charge.

3. I may mention here that the road in question is one of the most important in the net work of Local Fund communications, and that, in order to render it passable at all seasons, the construction of bridges at the points shewn in the plan is absolutely indispensable.

ENCLOSURES Nos. 1 to 3.—Plan and Estimates.

1. The sanction of Government will be requested to the estimate received with the above letter. It is perfectly impossible for the work to be executed in the current year.

2. The Collector is accordingly requested to report whether funds have been provided for it in his Local Fund Budget for 1867-68. If not, provision may be made in the Supplemental Budget for that year, called for in the Board's Proceedings, dated 5th February 1867, No. 718.
