Proceedings of the Madras Government, Revenue Department,
6th April 1867.

No. 115. Read the following Proceedings of the Board of Revenue, dated 3rd April 1867.

Read the following :—

Season Report for the fortnight ending 15th March 1867.

1. There has been no rain during the fortnight, and the wet crops in some localities have withered, while in others in which the crops have been harvested the out-turn is stated to be only from one-fourth to one-half the average yield; dry crops have, however, been better off than wet, and a fair out-turn is reported in the talooks in which they have been reaped.

2. In the Tripatur, Kristnagherri, and Salem talooks, Punjah grain has been sown to some extent.

3. There has scarcely been any fall in the price of grain during the fortnight.

* Increasing.

4. Public health has not been good, cholera, fever, dysentery, and small-pox* have prevailed in different parts of the district, and a few deaths have occurred in the talooks of Tripatur, Trichengode, and Salem.

4. Prevalence of cattle disease in Kristnagherri and Salem, and some loss in the former talook have been reported. Pasture and water getting scarce in Trichengode and Darampuri talooks.
