Proceedings of the Madras Government, Revenue Department,
11th April 1867.

No. 168. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Ootacamund, 2nd April 1867, No. 2,291 :—

With reference to the Proceedings of Government, dated 14th ultimo, No. 620, I have the honour to inform you that there are no funds available, from the Budget Estimate for 1867-68, to meet the proposed expenditure for repairing the road from Erranapaudoo to the foot of the Muttyconda ghaut, in the Kurnool District. The original estimates of the several Officers of the Forest Department have been considerably reduced, and any further reduction would, I fear, tend materially to affect the estimated revenue for the current official year. I beg, therefore, to suggest that a sum of Rupees 7,500 be transferred to the Forest Budget Estimate, either from the Budget allotment for the Public Works Department or from some other sources, and placed at the disposal of the Officer in charge of the Kurnool Forests, when arrangement could at once be made with the Superintending Engineer, 3rd Division, for commencing the work referred to.

No. 169. ORDER THEREON, 11th April 1867, No. 834.

Miscellaneous.

1. Communicated to the Public Works Department, with reference to the Endorsement in that Department, dated 26th February 1867.

2. Unless the Officiating Conservator anticipates that the charge can be eventually covered by savings out of the Forest Budget provision for the year's expenses, the work must be postponed.
