

Public Works (1896) Department.

G.O., No. 836 R

DATED 2² October 1896

[Despatch Abstract.]

Electric intercommunication in trains. Letter
to the Govt of India forwarding copy of ~~letter~~ from the
Agent through Messrs R. J. Stephenson & W. Winter's
system of — and stating that the perfect working
of the system since 1880 would appear to justify its
adoption on all lines throughout India.

GOVERNMENT OF INDIA.

RAILWAY STORES.

The Joint Secretary to the

Government of Madras Public Works Department,

Railway Branch.

Simla, the 12th August 1896.

Sir,

I am directed to request, that with the permission of His Excellency the Governor-in-Council, the Government of India may be furnished with a report shewing how the system of electric communication in trains between passengers and guards and drivers in use on the Madras railway has worked and whether it is now sufficiently perfect to justify its general adoption.

I have the honour to be,

sir,

Your most obedient servant,

J. A. Anderson

Offg: Under Secretary.
