No. 187. Read the following Proceedings of the Court of Wards, dated 1st April 1867, No. 2,056.

Read the following letter from the Collector of Tinnevelly, to the Secretary to the Court of Wards, dated 8th February 1867, No. 79 :—

1. I have the honour to report the demise, on the 19th November last, of Iswaravadivammal, the widow of the late Zemindar of Singampatty, who was intrusted with the management of the estate on behalf of her minor son, Sivasubramania Tevar, recognized as the heir by Government in Proceedings, No. 1,345, dated 13th August 1860.

2. The Tahsildar of Ambasamudram has been directed to assume charge pending the decision of the Court of Wards regarding the management of the estate. I have visited the place, and have seen all the parties concerned.

3. The mother of the late Zemindar, marked A in the accompanying genealogical table furnished by the Tahsildar, has requested personally and in writing that she may be allowed to manage the estate on behalf of her grandson, the Minor, but the eldest daughter of the late Zemindar G. takes exception to this on the grounds that A. will misappropriate the property of the estate for the benefit of her daughter C. and of her sons, and G. further prays that the estate may be either instrusted to her or to the management of the Court of Wards. The second daughter of the late Zemindar H. is, however, in favour of her grandmother's management. The grandmother is a very respectable old lady, and might be trusted with the management were she not so advanced in years ; the sister's claim is, I think, quite inadmissible, as she is married and has other interests. Under these circumstances, I recommend that the estate be taken under the management of the Court of Wards.

4. The estate consists of five villages, with an ayacut of 3,630 acres and some 50,000 acres of hill, yielding an annual income of Rupees 26,774-12-8, and paying a Peishkush of Rupees 8,008-2-11. The total area is 85½ square-miles.

5. The debts due by and to the estate are shewn in the accompanying Statements C. and D. The Tahsildar has been called upon to report as to the genuineness of these several items.

6. The jewels and other personal property, belonging to the estate, are valued at Rupees 9,669-0-6, as per Statement E.

7. If my proposal to take the estate under the management of the Court of Wards be approved, I will submit a list of establishment, and propose the allowances to be paid for the maintenance of the Minor and his family.

under the management of the Court of Wards. As the Minor is now seven years' old, special attention should be paid to his education.

2. The Collector's attention should also be directed to the economical working of the forests in the extensive hill tract included in the estate, which under good management may probably be rendered a valuable source of income.
