No. 177. Read the following letter from the Superintendent of Revenue Survey, to the Secretary to Government, Public Works Department, dated Chepauk, 23rd March 1867, No. 457-16:—

In acknowledging the receipt of an Indent on your department, which has received your sanction "on payment," I have the honour to refer you to the Resolution of the Government of India, in the Financial Department, dated 18th August 1863, No. 3,837, by which inter-departmental cash payments were abolished. Unless, therefore, some subsequent order of Government has been issued, these charges should, as heretofore, be considered as book debts. May I, therefore, request you to be so good as to accord to the Indent* in question the usual sanction by having the words "on payment" expunged.

* Now enclosed.

No. 178. ORDER THEREON, 8th April 1867, No. 1,088.

ACCOUNT, No. 14.

1. The cost of "Tools and Plant" supplied to the Department of Public Works is charged against a specific Budget assignment, and issues to works from the stock on hand are made good from that assignment, or the money value of the articles, in the event of the latter not requiring to be re-placed, is held as a saving upon the grant for stores and is available for appropriation to *works*.

2. The effect of the system which has hitherto obtained, of issuing stores to other departments without payment, and of debiting the grant for "Tools and Plant" with the cost of the articles obtained in their place, has virtually been to reduce the already insufficient annual assignments for Public Works in this Presidency. His Excellency in Council accordingly directs that all articles of store required for the use of the Revenue Survey Department be obtained in the usual way by Indent on the Home Government, or that they be paid for in cash, if supplied by the Department of Public Works.
