Dated Valparaiso, the 14th August 1923.

Sir

I am informed by the Traffic Superintendent of the Eastern Bengal State Railway that the Code initials of our Khurda Road station (K.D.D.) are identical with those of the Kiddycore Locks on the Calcutta Port Trust Railway. I therefore suggest K.A.C. as the Code initials of the Khurda Road Station, and have the honor to solicit the favor of your obtaining the approval of the Government of India to the same.

2. From the latest corrected list of Stations on Indian Railways it appears that "K.A.O" are not in use on any other Railways.

I have the honor to re,

Dated Waltair, the 2nd September 1896.

Sir,

In reply to your letter No. 2594 dated 24th August 1896, I have the honor to point out that the code initials adopted for the "Kaloobathan" station on the Jherria Extension of the East Indian Railway as per printed list of stations on Indian Railways corrected up to 31st December 1895, which must have superseded the last corrected up to 31st December 1894, are K.L.O. and not K.A.C., and I have therefore to enquire if you think it necessary to suggest some other code initials for our Khurda Road station.

I have the honor to be,
