Read the following Proceedings of the Madras Government, dated 8th March 1867, No. 578, Revenue Department.

ABSTRACT.—Communicating a Despatch from the Secretary of State for India, approving of the Proceedings of Government, regarding the return to England of Mr. E. Barwell, and requesting the Board to report at an early date the result of the further trial of the working of the Steam Plough.

The Board observe that they directed the Collector of Madras* to report when it would be advisable to attempt another trial of the Steam Plough. This, however, the Collector has never done, probably in consequence of the difficulty of obtaining the services of competent persons to superintend a trial ; but information on this point will now be requested from Mr. Fane.
