Proceedings of the Madras Government, Revenue Department,
16th April 1867.

No. 254. Read the following Proceedings of the Board of Revenue, dated 9th April 1867.

Read the following :—

Season Report for the fortnight ending 31st March 1867.

1. In five out of nine talooks there were a few showers of rain during the fortnight under report. In the Oossoor talook some of the tanks are stated to have received a tolerable supply, and the ryots have been able to sow to a considerable extent.

2. There has been a general harvesting of wet and dry crops in the district, the out-turn varying from one-fourth to three-fourths. Sugar-cane is reported to be in excellent condition in the Tripatoor and Oossoor talooks, and a very fair out-turn in localities where the crop has been cut.

3. The market prices have been almost stationary in all the talooks, except Trichengode, where they are reported to have slightly risen.

4. Public health has not been good; ague, cholera, and small-pox have prevailed in almost all the talooks, and several deaths from the last-named disease have occurred.

5. In Kistnagherry, Salem, and Ahtur talooks cattle disease (Gomury) has prevailed, and a few have been lost in the last-named talook.
