Proceedings of the Madras Government, Revenue Department,
17th April 1867.

No. 301. Read the following Proceedings of the Board of Revenue, dated 13th April 1867.

Read the following letter from the Collector of Tanjore, to the Secretary to the Board of Revenue, dated Chettubava, Pattukottai Talook, 5th April 1867, No. 64 :—

1. I have the honour to report that the state of the season, during the fortnight ending the 31st March 1867, has been much the same as that during the fortnight preceding. Since then there has been no rain-fall in the district, nor any water in the rivers. The harvest of the Samba-pishanam crop has been completed, and the price of grain is on the increase. Cholera, small-pox, and other diseases, incident to a hot season, prevail more or less. Cattle are generally healthy, and pasture tolerably sufficient.

2. I have the honour to request that I may be informed whether fortnightly reports are required in future.

Submitted for the information of Government.

No. 302. ORDER THEREON, 17th April 1867, No. 903.

These fortnightly reports from Tanjore may be discontinued.
