**Proceedings of the Madras Government, Revenue Department,
24th April 1867.**

No. 323. Read the following Proceedings of the Board of Revenue, dated 9th April 1867, No. 2,270.

Read the following letter from the Collector of Tanjore, to the Secretary to the Board of Revenue, dated Vellam, 23rd January 1867, No. 22:—

1. I have the honour to forward, herewith, a Register submitted by my Treasury Deputy shewing the extent of land held by him in this district.

2. The other Deputy Collectors of Tanjore possess no landed property in this district.

Register of lands held by public servant, and acquired by him prior or subsequent to his entering into the service of Government.

Name of Officer.	Office and Department.	District and Talook in which land is situated.	Land acquired.		When acquired, and whether prior or subsequent to the employment in the public service.	By what means acquired.	Nature of interest possessed by such servant in such landed property.	Remarks.
			Extent.	Assessment.				
A. Sashiah Sastriyar.	Deputy Collector in charge of the Treasury, Tanjore.	Tanjore District, Combaconum talook, Sarvamaniam village of Amravati.	About one Veli of wet and dry.	Nominal assessment, Rupees 32, Survamaniem, enfranchised by the Inam Commissioner.	Acquired in 1866, before I joined this district.	By purchase.	The land is cultivated by my brothers, for whose support it was purchased out of my earnings.	

I hereby declare that this Register truly represents all the landed property possessed by me, or in which I am in any way interested in the district in which I am serving or elsewhere.

TANJORE,
19th January 1867.

(Signed) A. SASHIAH,
Deputy Collector.

1. The Register forwarded with the above letter will be submitted for the consideration and orders of Government, as required by paragraph 2 of the Rules on the subject of Uncovenanted Servants holding or acquiring landed property, with the Board's recommendation that Deputy Collector Sashiah Sastry may be permitted to retain office, on the distinct understanding that he does not take any part in the management of the land, which he declares to have been acquired in 1866 before he joined the district.

2. The Board must, however, notice with the expression of their disapproval a want of ingenuousness in the Deputy Collector's Return. The lands were acquired before he actually joined the district, but some months at least after he was appointed to it.
