Proceedings of the Madras Government, Revenue Department, 24th April 1867.

No. 336. Read the following Proceedings of the Board of Revenue, dated 16th April 1867.

Read the following letter from the Acting Collector of South Canara, to the Secretary to the Board of Revenue, dated Mangalore, 10th April 1867, No. 61 :—

1. In explanation of my telegram to your address of yesterday's date, I have the honour to state that, since the despatch of my letter No. 57, of the 4th instant, on the subject of Mr. Cruickshank's joining this district, the weather has undergone a notable change, and now affords every indication of a speedy setting in of the south-west monsoon. That this will take place very shortly is expected by all classes here.

2. The Jamabundi settlement of four talooks still remains to be completed, and this will necessitate my traversing all parts of the district from the extreme north to the southernmost talook.

3. Travelling in South Canara is, at all times, slow, on account of many unbridged rivers to be crossed, and making my very best endeavours I do not now expect to be able to complete my Jamabundi tour before the first burst of the monsoon.

4. It is absolutely necessary that an European Officer should be here to take my place with regard to the Magisterial and Treasury work, and the Municipal Committee also requires no little attention at present, and the Vice-President happens to be away in Bombay.

I therefore trust that Mr. Cruickshank may be ordered to join his appointment here without fail by the next coasting steamer from Calicut.

Submitted for the orders of Government. The Board consider that under the circumstances stated, Mr. Whiteside's Assistant should be required to join him forthwith.

No. 337. ORDER THEREON, 24th April 1867, No. 920.

Miscellaneous. Recorded with reference to Mr. Hall's appointment to South Canara.
