GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Irrigation.

Read—the following paper:—

From T. CHICHELE-PLOWDEN, Esq., C.S.I., Resident at Hyderabad, to the Secretary to the Government of Madras, Public Works Department, dated Hyderabad Residency, the 17th October 1896, No. 5846.

I have the honour to refer to your letter No. 476 I., dated the 4th June 1896, regarding the periodical opening of the scouring sluices of the Korogal anicut on the Hyderabad side of the Tungabhadra river.

2. His Highness the Nizam's Minister now intimates that the local officer of the Salar Jung estates reports that there are no objections to the proposals made by the Madras Government to have the sluices opened on the 15th January of each year and kept open for twenty days and re-opened from the 13th February till the 5th March. His Highness' Government have, however, asked that the local officers subordinate to the Madras Government may be instructed not to interfere with the authorities of the Salar Jung estate when repairs to the sluices are being executed by them within the dates fixed; and I am to ask that, if there is no objection, instructions may be issued in that sense.

ORDER—No. 928 I., dated 5th November 1896.

Communicated to the Superintending Engineer, III Circle, for information.

2. The Superintending Engineer's attention will be directed to the latter part of the Resident's letter and he will see that no interference of the kind referred to takes place unless the interests of this Government or its ryots are affected, in which case the matter should be reported for the orders of Government.

3. Orders will issue in the Revenue Department for the prevention of similar interference on the part of the officers of that department.

4. Ordered that the following letter be sent:—
