Proceedings of the Madras Government, Revenue Department, 27*th April* 1867.

No. 391. Read the following Proceedings of the Board of Revenue, dated 17th April 1867.

Read the following letter from the Acting Collector of Madura, to the Secretary to the Board of Revenue, dated Camp, Melur, 12th March 1867, No. 59 :—

With reference to the latter part of the concluding paragraph of the Board's Proceedings, No. 7,557, dated 20th October last, I have the honour to submit herewith, for the information of the Board, copy of an order passed by the Civil Judge on the second defendant's (Ramnad Zemindarni's) motion, demurring to the payment of interest on the costs awarded to the plaintiff.

Order in Original Suit No. 2 of 1855, *on the file of the Civil Court of Madura.*

The Collector, first defendant, states his willingness to make over the lands decreed, and that he has given instructions that it be made over to plaintiff or his agent, and requests the Court to direct the plaintiff to receive charge, and the Court accordingly directed the plaintiff to receive charge from first defendant of the lands in question. As to the matter of interest from date of original decree, the Court considers that the second defendant, who disputed that decree and the subsequent one by the late Sudder Court, and thus kept plaintiff from his lands and mesne profits, is in equity bound to pay interest. The Court, therefore, orders the collection of interest with mesne profits and plaintiff's and first defendant's costs from date of decree from second defendant at five per cent.
