Read the following papers—

From the same Department, dated 6th May 1896 N^o. 2360, forwarding a list of projects requiring investigation in the Vinukonda and Palnad Taluqs.

From the President, District Board, Histo
dated 27 September 1896 Dis. N^o: $\frac{1663}{D.B.}$ be

With reference to Government Memo. No. 575
dated 23rd May 1896 herewith returned, I have in
the honour
to forward for information, a copy of the
District Board's resolution N^o: 1 dated 19th
September 1896 together with a copy of the
District Local Funds Engineer's letter
N^o: 882 dated 14th July 1896.

Enclaves 2

in progress. Its estimate is Rs. 40,794 of which Rs. 35,745 have been spent up to the end of the last year.

It has a grant of Rs. 1000 for the current year, but with the balance of Rs. 3000 + odd, the road cannot be completed. The estimate requires revision and a revised estimate will be submitted shortly. The revised estimate may raise the figure by about 5000 rupees.

No(2) is a Taluk Board road also in progress, but it does not meet the Virunkonda - Kareupudi road in Kareupudi as required by the Superintending Engineer, but it meets the Nakanical - Kareupudi road (a District Board road now under construction) in Jula Kallu village, but 5 miles from Kareupudi. The amount of estimate for this road is Rs. 29,083 and Rs 15,915 thereof have been spent up to the end of the last official year, and it has only a grant of Rs. 750 for the current year. Considering the lack of funds under the

the Virunkonda Board, I see no likelihood of the early completion of this work, unless the District Board is prepared to help with a contribution.

Roads Nos. 3 & 4 are also Taluk Board's roads and they are at present maintained, for want of funds, with miserable low maintenance grants (Rs. 75 per mile for No. 3 and Rs 11 only per mile for No. 4) and special grants will have to be given at least from District Board funds to make them as good as the Superintending Engineer wishes them to be.

Order No 1956 L. Mis d/22^o October 1896.

Recorded.
