GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

From the Hon'ble Colonel D. McNEIL CAMPBELL, R.E., Joint Secretary to the Government of Madras, Public Works Department, to the Secretary to the Government of India, Public Works Department, dated 15th January 1896, No. 155 W.

In forwarding a copy of the Proceedings of this Government, No. 3292 W., dated 22nd December 1894, I am directed to state that in July last an Assistant Engineer was placed in charge of a party to carry out the investigations for the completion works of the Cauvery delta system, but towards the end of the year it was found that the arrangement was not satisfactory, and that for the thorough investigation of the project and the preparation of the requisite estimates, it was necessary to depute to the duty an officer of high standing and experience, who would work independently of the Executive Engineer of the division, and be directly under the orders of the Chief Engineer for Irrigation. For this duty His Excellency the Governor in Council selected Lieutenant-Colonel A. W. Smart, R.E., Superintending Engineer, Second class, temporary rank, who is intimately acquainted with the Cauvery irrigation and its requirements, and who had already devoted considerable attention to the very investigations now required. The arrangement has however resulted in one of the ordinary administrative circles being left in charge of an Executive Engineer without any charge allowance, and to obviate this difficulty I am directed to request the sanction of the Government of India to Lieutenant-Colonel Smart being regarded as on deputation under article 94, Civil Service Regulations, and to an Executive Engineer being appointed substantively *pro tempore* to the Superintending Engineer class, with effect from the 14th December 1895, the date on which Lieutenant-Colonel Smart assumed charge of his special duty.

2. I am to add that the duty in which Lieutenant-Colonel Smart is employed is likely to be completed in about six months.

G.O., No. 921 W., dated 14th March 1896.

Read—the following papers:—

From G. H. D. WALKER, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Joint Secretary to the Government of Madras, Public Works Department, dated Calcutta, the 14th February 1896, No. 400 G.

I am directed to acknowledge the receipt of your letter No. 155 W., dated 15th January last, requesting sanction to Lieutenant-Colonel A. W. Smart, R.E., Superintending Engineer, being regarded as on deputation under article 94 of the Civil Service Regulations, while in charge of the investigations for the completion works of the Cauvery delta system, and to an Executive Engineer being appointed sub. *pro tem.* to the Superintending Engineer class.

Dec 14/96

No. 1736 W., 10TH JUNE 1896.

2. In reply, I am to say that, provided the period of deputation does not exceed six months, the Government of Madras may, under article 93 of the Civil Service Regulations, depute Lieutenant-Colonel Smart on the special duty referred to, and appoint an officer to officiate as Superintending Engineer during the period of that officer's deputation. Sub. *pro tem.* promotion as proposed by the Local Government is not permissible, as article 110 is not applicable to the case.

Office-note to the Chief Engineer for Irrigation, dated 26th February 1896, No. 1103 C.

Please make a forecast as to the period for which Lieutenant-Colonel Smart's services on special duty will be required.

(Signed) D. McNEIL CAMPBELL, Col., R.E.,
Chief Engineer, P.W.D.

No. 91.

The services of Colonel Smart are required for at least two years.

LETTER—from the Hon'ble Colonel D. McNEIL CAMPBELL, R.E., Joint Secretary to the Government of Madras, Public Works Department, to the Secretary to the Government of India, Public Works Department, dated 14th March 1896, No. 922 W.

In reply to your letter No. 400 G., dated 14th February 1896, I am directed to state that it is now found that the investigations entrusted to Lieutenant-Colonel Smart, R.E., will be of a more extended nature than at first supposed, and that it will be at least two years before his special duties can be completed. I am therefore to request that under article 93 (b), Civil Service Regulations, the Government of India will be good enough to sanction his deputation for that period.

2. A copy of the Proceedings of this Government, No. 150 I., dated 10th February 1896, showing the nature of the duties to be carried out by Lieutenant-Colonel Smart is forwarded for information.
