Proceedings of the Madras Government, Revenue Department,
30th April 1867.

No. 437. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 15th April 1867, No. 130:—

With reference to G. O. No. 695, of 1st March 1866, I have the honour to submit a Sketch Map shewing the Main Canal of the Irrigation Company in the Kurnool Range, and where the roads are required; also a plan on which each of the six roads is shewn separately; and also estimates for each of these six roads, amounting together to Rupees 11,500.

Referred to the Revenue Department. As the roads proposed to be constructed are "village roads," their cost seems properly chargeable to the collections from the District Road Cess.

Secretary to Government.
