No. 189. Read the following letter from the Honorary Secretary Agri-Horticultural Society, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 5th January 1867, No. 6:—

1. With reference to Proceedings of Government, Revenue Department, dated 13th December 1866, and Order thereon, No. 3,362 of same date, I have the honor to thank you for the information contained therein, and to state that a supply of Singhara plants in water was forwarded by the Secretary to the Agri and Horticultural Society of Calcutta to my address by the P. and O. Steamer "Bengal." I regret to say, however, that on arrival here, all the plants were dead, and in an advanced state of decay, the motion of the vessel and shaking in landing having proved fatal to them. No seeds were received, and I regret this very much, as several plants were some time ago raised in the gardens from a few old ones sent in a tin box from Hyderabad by banghy, thus shewing that the Singhara fruit will bear transmission to a great distance without losing its vitality, and with ordinary attention to its requirements will readily germinate and produce the plant.

2. I have, on behalf of the Society, written to the Secretary to the Agri and Horticultural Society, Calcutta, requesting him to forward, at his earliest convenience, a supply of fresh fruit by steamer. On the arrival of this consignment, I shall have much pleasure in sending a portion of it to the Board of Revenue for distribution, if it be in quantity sufficient to enable me to do so.

No. 190. ORDER THEREON, 11th January 1867, No. 97.

Ordered to be communicated to the Board of Revenue.
